

Directions

The site is ½ a mile from Bedford town centre and allows easy access to the M1 and A1, with excellent rail connections to London, the Midlands and Luton International airport.

From the M1 (J14)

Take the A509 north, direction Newport Pagnell. Continue on the A509 north. After 3.6 miles take the 3rd exit off the Chicheley Hill roundabout into A422 direction Bedford. After 7 miles take the 3rd exit off the roundabout into A428. Enter Bedford from Bromham on the A428 (Bromham Road). At the double mini roundabout, turn left into Shakespeare Road (A5141). After 800 yds cross straight over the next roundabout into Manton Lane. After 900 yds continue straight over at the set of traffic lights. The Saturn Facilities Centre is on your left.

From the West (A428)

Enter Bedford from Bromham on the A428 (Bromham Road). At the double mini roundabout, turn left into Shakespeare Road (A5141). Cross straight over the next roundabout into Manton Lane. Go through a set of traffic lights. The Saturn Facilities Centre is on your left.

Please note that these directions maybe affected by recent highway developments. Please check with other sources before making your journey.

From the East (A428)

Enter Bedford from Great Barford on the A428 (Goldington Road). At the MFI roundabout, turn right into Norse Road. Cross straight over three roundabouts into Wentworth Drive. Cross straight over the next roundabout into Avon Drive. At the next roundabout (after a small row of shops), take the 3rd exit into Waveney Avenue. At the mini roundabout, turn right into Brickhill Drive, continue straight over the next mini roundabout which leads up a hill and into Manton Lane. The Saturn Facilities Centre is on your right.

Please note that these directions maybe affected by recent highway developments. Please check with other sources before making your journey.

By Train

The First Capital Connect line links Brighton and Gatwick directly to Bedford station via Kings Cross. Trains also run half-hourly from Kings Cross St Pancras to Bedford station. Midland Mainline also run services from here to Sheffield and Nottingham. A branch line links Bedford with Bletchley / Milton Keynes.

Please note that these directions maybe affected by recent highway developments. Please check with other sources before making your journey.

By Bus

The 106 service from Bedford town centre runs every 20 minutes. This service stops directly outside Saturn Facilities on Brickhill Drive.
